

1 Week Prague & Elbsandsteingebirge

Prague – The Golden City! Its rich history, 100 churches, 400 towers, 1000 historic buildings and bridges make it a popular tourist destination. It is an absolute must-see in the heart of Europe! We will pick you up by coach and will spend our first night in the Elbsandsteingebirge (sand-stone hills along the river Elbe). There we will go hiking and if you wish you can even go climbing in the stunning sand-stone scenery. The following day we will travel onwards to Prague, where we will visit the most important sights and Kutna Horà, which is located 60km east of Prague. Kutna Horà's city centre is a UNESCO World Heritage site and gives us the chance to see the Czech Republic from another beautiful perspective. You will be delighted by Czech history, its famous cuisine and architecture and of course there will be a little time planned in for a spot of shopping.

Travel Dates:

**12th - 19th of October
2014**

Registration Deadline:

29th of September 2014

Price: 740 Euro

About us

My name is Julia Birnbaum-Crowson and I am a teacher of German as a foreign language as well as a school-exchange coordinator. Together with my team, we are organising trips from 2 days to one week, around Germany and its neighbouring countries. The trips are open to exchange students in Germany as well as their host-siblings, class-mates and high-school students interested in travelling and exploring new places with foreign students from all over the world. Besides fun, an international atmosphere and a lot of sightseeing you will learn a lot about German and European culture, architecture and history. All trips are educational and carefully planned for young and interested minds. Of course we will be happy to answer questions and will try to point out the most important things – whether they be related to every day life, German and European specialities or historical aspects. By joining our trips we will give you so much more than just the chance to take pretty pictures!

Everyone in our team is experienced in organising and carrying out school and student excursions and exchanges. On the trip you will be accompanied by two to three adult supervisors with significant travel experience of leading educational groups.
